Offshore Technology Conference 2020

4–7 May 2020
NRG Park » Houston, Texas, USA
Chevron is excited to be part of OTC 2020 and to share how we’re applying the latest technology to our offshore projects around the globe.

Learn more at chevron.com
Offshore Technology Conference (OTC)

OTC is the world’s only offshore oil and gas event brought to you by 13 energy industry sponsoring organizations. No other event in the world offers this range of collective, preeminent technical knowledge in one meeting place.

Unlike commercial organizations, OTC reinvests proceeds back into the oil and gas industry through these societies to accelerate innovation in the offshore sector. Members and other industry professionals benefit from enhanced technical and professional competence because of the societies’ investments.

As technology transforms the offshore sector in unimaginable ways, OTC 2020 attendees will gather on 4–7 May in Houston, Texas, USA to discuss the spectrum of offshore opportunities and how these developments will contribute to the future of offshore E&P.

OTC Organizations

Sponsoring Organizations

- AAPG
- AICHE
- AIME
- SEG
- SME
- ASCE
- ASME
- IEEE
- OES
- SPE
- TMS

Regional Sponsoring Organization

- ibp

Endorsing Organizations

- IADC
- PESA

Supporting Organizations

- AADE
- API
- AOG
- ASME
- ASTM
- CFS
- IPAA
- ICI
- IMAREST
- IMCA
- ISA
- NOLA
- RPSEA

Invited Organization: American Wind Energy Association

OTC is the world’s only offshore oil and gas event brought to you by 13 energy industry sponsoring organizations. No other event in the world offers this range of collective, preeminent technical knowledge in one meeting place.
Why Attend?

World-Class Technical Program
When you attend OTC, you will gain a year’s worth of training and knowledge in one week from scientists, engineers, researchers, and executive-level speakers on the revolutionizing progress of future offshore projects. Engage and explore a wide variety of topics such as:

• New Geographic Areas of Opportunity
• Collaborative Solutions on Multidisciplinary Topics
• Autonomous Operations
• Cost-Reduction Strategies
• Marine Renewables
• Digital Technologies and Data Management

Insightful Panel Discussions
Join panel members from around the world as they discuss project successes, challenges, and the technological advancements contributing to offshore production. These highly sought after panel discussions are only available at OTC, so do not forget to add them to your schedule after you register.

With more than 38 hours of discussions, session titles include:

• Enabling Safer Operations through Technology
• Offshore Wind: Getting in the Water and Producing Power
• Offshore Exploration of Oil and Gas to More Remote and Under-Explored Areas
• New Technologies and Methodologies to Generate and Provide Power to Subsea Compression

Topical Breakfasts/Luncheons
Enjoy breakfast or lunch with your peers and hear from major IOCs, NOCs, and independent operators.

All breakfast and luncheon tickets are USD 65 each.

Hear from industry executives such as:

Greg Hill
President and CEO, Hess Corporation

Michelle Pflueger
General Manager, Digital Innovation and Acceleration Chevron

Ahmed Hashmi
Upstream Chief Digital and Technology Officer, BP

Networking Opportunities
93% of OTC 2019 attendees rated OTC’s networking experience as positive. In addition to the knowledge gained in the technical sessions, OTC provides attendees an excellent opportunity to build new relationships with worldwide peers, influencers, innovators, and decision makers.

Exhibition Hall
With major equipment installations and interactive displays actively engaging more than 59,000 attendees in more than 560,000 square feet, last year’s event further emphasized the need for a venue of this caliber to bring people and technologies together for four days of in-depth discussion and experience. The exhibition will be held in two indoor and one outdoor locations: NRG Center, NRG Arena, and the OTC Parkway.

International Attendees
- **OBTAIN TRAVEL DOCUMENTS**
  Traveling to the United States involves additional advance planning.
- **INVITATION LETTER**
  Visit [go.otcnet.org/InvitationLetter](go.otcnet.org/InvitationLetter) to download an invitation letter that may assist you in obtaining a visa.
- **VISA**
  For those traveling to the US from a Visa Waiver Program (VWP) country, an electronic passport (e-Passport) is required. VWP travelers are required to have a valid authorization through the Electronic System for Travel Authorization prior to travel. Obtain a visa for travel if you are not from one of the VWP countries or if your country is not yet issuing machine-readable passports.
- **PASSPORT**
  If you are traveling from Canada, Mexico, or Bermuda, the Western Hemisphere Travel Initiative requires you to present a passport to enter the US.

Make Hotel Accommodations
Experient is the official housing provider for OTC. Please do not accept housing solicitations by any other provider claiming affiliation with OTC. Booking through Experient will save you time and money. Here’s how:
- Free shuttle service between NRG Park and select official hotels
- Discounted hotel rates
- Protection from being relocated if a hotel oversells rooms
- Hotels that meet standards for business travel
- Avoid hotel scams
- Highly rated customer assistance

Distinguished Achievement Awards Event

**Monday, 4 May, 1200-1400**   NRG Center, Level 2

This event is dedicated to raising funds for a worthy cause and provides an excellent opportunity for industry leaders to network with colleagues from around the world. The 2020 event will honor an individual and a company who have made major technological, humanitarian, safety, environmental, and leadership contributions to the industry. For more information on attending and sponsoring, please visit [go.otcnet.org/DAAevent](go.otcnet.org/DAAevent).

**Spotlight on New Technology® Awards Ceremony**

**Monday, 4 May, 1600–1700**   NRG Center, Level 1, Lobby B Rotunda

The Spotlight on New Technology Awards program will recognize OTC 2020 exhibitors with the most cutting-edge and advanced hardware and software technologies.

International Trade Center

OTC is proud to work with the US Department of Commerce on International Delegation recruitment. This program will offer attendees and exhibitors from around the world a chance to meet and explore global offshore opportunities. If you are interested in registering a delegation, please contact Danielle Caltabiano at Danielle.Caltabiano@trade.gov.

**Programming in the ITC will include:**

- Delegation Orientations
- Business to Government Meetings
- Networking Opportunities
- Business to Business Meetings

Around the World Series

With such great success at last year’s event, OTC will be bringing back the Around the World Series in 2020. Attendees will find presentations, panel discussions, and special sessions focused on international development and new areas of opportunities. The subjects covered are pertinent, timely, and important to the offshore sector. This year’s series will focus on Guyana, Netherlands, Norway, United Kingdom, West Africa, Canada, and the Arctic.

International Lounge

The International Lounge is an inviting place for international attendees to meet and relax during OTC. Multilingual members of the National Oil Equipment Manufacturers and Delegates Society (NOMADS) are available to provide assistance with information regarding Houston-area shopping, restaurants, museums, theatres, and emergency medical appointments.
